**Omaha, Neb** – Emmy Award winner, Grammy Award nominee, and gold-selling recording artist John Tesh joins the Omaha Symphony for a live concert experience that includes music, dance, intense emotions, and laughter at the Holland Performing Arts Center Valentine’s weekend, February 12-14. The concert will incorporate elements of Tesh’s radio show, “Intelligence For Your Life,” which can be heard on KGOR (Superhits 99.9 FM) Monday through Friday from 5:00 pm – 10:00 pm.

One of the world’s most-renowned composers and entertainers, John Tesh has established himself as a charismatic and engaging musician, providing his audiences with a dazzling evening of music, comedy, romance, and a soaring spirituality. Add to that spectacular lighting effects and the talents of guest performers and “John Tesh In Concert: Music and Intelligence for Your Life” becomes a high-energy evening of music and more for the entire family.

Tesh’s personality and music took PBS by storm with LIVE at RED ROCKS and, with that success gave the former *Entertainment Tonight* anchor a solid fan base to showcase his musical talents. With his live concert, audiences will get to experience much of Tesh’s energy he first displayed on PBS.
