Omaha, Neb – Love Motown? You won't want to miss the Omaha Symphony's **Motown Tribute** April 30-May 2 at the Holland Performing Arts Center. Spectrum, an acclaimed male vocal quartet, will sing soulful classics by Motown legends. Hear hits like "My Girl," "Under the Boardwalk," and "Soul Man," accompanied by the beautiful and powerful sounds of the live orchestra. Tight harmonies and polished choreography top off this special performance, part of the symphony's 2009/10 Pops Series.

After spending six stellar years recreating the sound and style of the Four Tops in Las Vegas's multi-million dollar production shows *American Superstars* and *Legends in Concert*, Spectrum has developed the versatility to credibly cover the music of groups from the Platters to the Temptations to Boyz 2 Men. Spectrum's credits include a seven-month European tour headlining aboard the Royal Caribbean cruise line ships, the closing spot in the *Doo-wop to Soul Review* at the Hollywood Palladium, as well as a coveted national tour with eight symphony orchestras from New York to California. Their award-winning show ran for four years straight on the Las Vegas Strip, ending only when the Boardwalk Hotel & Casino closed its doors. Voted Best of Las Vegas twice in 2005 and 2006, Spectrum performs in Las Vegas and around the globe.

Bring your family and friends to this feel-good concert, and relive cherished memories, while making new ones together!

The Omaha Symphony is a non-profit organization that presents more than 200 live orchestral performances from September through June.
