

For nearly a decade, Mariachi Rey Azteca has earned its reputation as Omaha's premier Mariachi group. Founded in early 2014 by a collective of talented young men who had honed their skills in various local ensembles, the group was formed with a clear vision: to honor and preserve the authentic tradition of Mariachi music while also highlighting its adaptability. They achieve this by strategically incorporating modern musical twists and diverse instrumentation, showing audiences the true versatility of the genre. Their influence extends well beyond the local scene, with performances spanning Nebraska, Iowa, Kansas, South Dakota, and Missouri. Notable achievements include headlining numerous metro events and an impressive two appearances playing alongside the Omaha Symphony. Mariachi Rey Azteca is committed to continuing to delight and showcase the vibrant, joyful spirit of Mariachi music for years to come.
